# Response To COVID-19 Outbreak

In respect of the current circumstances, we are going to be postponing publication of our monthly Swim & Save eZine until everything returns back to normal, which we hope will be very soon.

All information relating to COVID-19 can also be found at [www.sta.co.uk](http://www.sta.co.uk) or for ATCs at <https://www.safetytrainingawards.co.uk/>.

# Free Downloadable Activities For Children

To help keep children busy at home with activities that are both entertaining and educational, we have piled our resources to create a free downloadable water safety educational pack. The resources, including our 40-page water safety booklet, will help teach children how to stay safe in and around water in a fun and engaging way.
